

## Axis Hosts the 6th Edition of the Pension Strategy Conference to Promote Pension Fund Resilience

Axis Pension Trust, in collaboration with its partners, successfully hosted the sixth edition of the Pension Strategy Conference. This two-day event, themed "Building Resilient Pension Portfolios," reflected Axis' commitment to advance retirement planning and pension policy advocacy. The conference opened with a keynote address by Adjei Boateng, Chief Investment Officer of Blackstar Advisors, focused on a comparative country-level analysis of the post-debt restructuring period. Other esteemed speakers presented insights on economic outlook and diverse perspectives on how to build pension portfolio resilience.

The first day concluded with a panel discussion featuring seasoned investment experts, delving into critical issues facing the pension industry. The second day transitioned into an interactive workshop for Pension Trustees, facilitated by Hamdiya Ismaila, CEO of Savannah Impact Advisory, which emphasized evaluating alternative assets and showcased best practices as well as success stories. The event brought together key stakeholders from the Ghanaian pension ecosystem, fostering strategic discourse, knowledge sharing and networking opportunities.

Amidst economic uncertainties, the conference provided valuable insights and actionable strategies to ensure the sustainability of pension funds in Ghana.
